CREATING SUCCESS WITH YOU

USE *MOTIVATION* TO CREATE SUCCESS IN BUSINESS

Would you like to be able to:

Motivate all your staff and your team to continuously contribute to the development of your business?

Motivate and inspire 100% of your staff to contribute by using our unique Motivational Action Plan?

Enable your managers to become Motivational Leaders?

Improve your business performance as a result of discovering how to motivate and inspired your work force?

Then take this opportunity to

Take part in the 1 day Motivational Masterclass. Use the Motivational Masterclass to motivate yourself, your staff and your team.

Introduce a 'Motivational Action Plan' for your staff and your business. Align personal motivation to the business goals and increase profits.

Contents of this Masterclass

1. Discover the 9 motivators that drive you and your staff.
2. Identify the three key components that drive successful businesses.
3. Discover the four types of individuals that sit in any business and how to identify them.
4. Develop the understanding of how to describe, measure, monitor and maximise motivation for individual and business advantage.
5. Resolve individual and team conflict.

Directors, Owner Managers and other Senior Managers will develop their motivational skills so that they are able to:

- Energise each member of their team with simple but effective rewards strategies linked directly to individuals motivation.
- Energise their team to contribute more because they want to, not because they have to.
- Recognise and reward staff for their contribution to the business.
- Be able to evaluate the impact of motivation on the business.
